The buyer is accepts all terms and conditions set forth below:

- The buyer agrees to assume full responsibility for the dog once it leaves the sellers premises.
- The buyer agrees to provide a warm and safe environment in their home, provide fresh food and water daily and have annual veterinarian visits for the up keep and care of said dog.
- The buyer agrees to take the puppy to the veterinarian of their choice at their own expense within 72 hours (96 hours if shipped) after acquiring the puppy from the breeder
- The buyer agrees to have the puppy spayed/neutered no later than its first birthday
- The buyer confirms that the puppy is being sold as PET ONLY. No breeding rights are being given for this dog. If the buyer chooses to breed the dog, the health guarantee is null and void.

- The buyer agrees to have the puppy groomed regularly to keep it comfortable and ensure a healthy skin and coat.
- The buyer agrees to feed the puppy a good quality dog food. The buyer understands that schnauzers don't do well on high protein/high fat foods. Feeding a schnauzer, a diet high in fat or protein can result in the dog suffering from kidney/bladder stones or pancreatitis. This includes treats as well as regular food
- The buyer agrees to maintain their dog at a healthy weight through good diet and regular exercise. Obesity leads to various long term health issues and the buyer acknowledges that a healthy dog is a happy dog.
- The buyer agrees to train the puppy to be a well-mannered member of society so that it is a good representation of the breed and a positive influence on those around it.
- The buyer agrees to keep the dog safe by providing a secure environment inside and outside (fenced yard or on leash until reliably trained.)
- The buyer agrees to periodically update the breeder on the progress of the puppy through email. I love to hear about how pups are doing.
